

COMPARE THE PAIR

Matthew GUY

Daniel ANDREWS

Opposed allowing change of sex status on birth certificate without any gender transitioning treatment. Change can be made every 12 months.

Opposed criminalising patient-led, evidence-based therapy, counselling or prayer for those who want help with unwanted sexual attraction or gender dysphoria

Opposed removing exemptions from the Equal Opportunity Act for faith-based organisations, which would limit their ability to operate by their ethos

Opposed broad legalisation of street prostitution; permitting workers with STIs; STD testing not mandatory; owners unable to refuse home rental

Opposed extreme law allowing killing preborn babies up to birth
